Morning Routine

Screen your child for symptoms so we can keep EVERYONE healthy at school.

- NO fever over 100.4 or chills
- No new or sudden cough
- No shortness or breath or difficulty breathing
- No sore throat
- No headaches
- No muscle aches
- No nausea, vomiting, or diarrhea
- No new loss of taste or smell
- No new runny nose or severe congestion
- No close contact with a person with COVID-19 in the last 10 days

Sick? Stay home!
